National Fallen Firefighters Memorial Weekend

Every October, the Foundation sponsors the official national tribute to all firefighters who died in the line-of-duty during the previous year. Thousands attend the Memorial Weekend in Emmitsburg, Maryland. The Foundation helps survivors attend by providing travel, lodging and meals.

Taking Care of Our Own® Program

The *Taking Care of Our Own®* training program helps fire departments prepare for the worst, a line-of-duty death or serious injury. Fire service personnel and families who have lost a firefighter in the line-of-duty helped develop this one-day course. It covers pre-incident planning, survivor notification, family and coworker support, and benefits and resources available to the families.

Fire Service Survivor Retreat

This year's family survivor conference will take place on Thursday, July 17, 2014 at the Holiday Inn Hotel & Suites of Carol Stream.
